Summer Course

Why not join us at Italia Conti for a week long Summer Course?

Our brand new purpose built performing arts studios are some of the best in country!

From the time you enter the building you are assured of a warm welcome.

The Summer Course is one of the highlights of the year. Tuition will be given by regular members of staff at Italia Conti and will give a taste what life is like at full time training.

This course encompasses Singing, Drama, Performance Technique, Jazz, Hip Hop, Stage Fighting, Camera Acting, Pop Video, Radio Technique, Tap, and Ballet.

The courses integrate to produce an end of course production, which takes place in our studio Theatre on the final Friday of each week.

A chance to make a group pop video which may be purchased on the last day.

Trips to the theatre can be arranged but are optional; transport is arranged to visit one of London's West End Shows.
